Daijin Ltd, United States, 2010. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. Laugh-out-loud funny -- Out in Perth Hilarious and eye-opening -- Gay Chicago A funnier, less hectoring counterpart to The God Delusion -- Star Observer What do you think of the Bible? Literal truth? Total rubbish? Have you read it? No? So how can you have any opinion about a book that you haven't read? There's nothing wrong with having faith; but must people insist on BLIND faith? From Genesis to Deuteronomy, Being Gay is Disgusting is a chapter-by-chapter paraphrasing of the Bible, using the most casual and inappropriate language possible. Creation, the Flood, Joseph's cool dreams, escape from Egypt and the long and surprisingly GRUESOME story of Moses are all covered in unpleasant-but-accurate detail. And won't it be nice to be able to have a semi-intelligent discussion about the Old Testament with your God-fearing friends!.
