

The Timefarer (Paperback)

By Harrison Becket

BookBaby, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. JACK IS A YOUNG, recently separated man living in the city of Chicago. The year is 1997 and for some time now he has felt a growing sense of alienation for the era in which he lives and with the culture and people that surround him. One morning, on the way into the office, he is involved in a violent bus crash and suffers a blow to the head. The injury somehow unlocks an innate ability within Jack to travel thru time. His first encounter sets him back two weeks, where he has to come to grips with this new reality. He eventually arrives at work in time for an office party that he recalls already took place in the past. However, this time he modifies his behavior to affect a more pleasing outcome with a new co-worker and love interest. Still struggling to control and understand his new abilities, Jack attempts a leap further back in time to the 1970s to visit with his long dead, grandfather (Doc). Upon arriving at the family farm, Doc takes him in for the night and proceeds to share details...
