

Why are We Here?

By Laurence Freeman

Convivium Press. Paperback. Book Condition: new. BRAND NEW, Why are We Here?, Laurence Freeman, In this work Freeman examines the radical question of our being in the world. We are here, he reflects, to come to continuous prayer, to a constant openness to the prayer of Christ in our hearts. Continuous prayer, he says, must not be understood as saying prayers all the time but as the living in a childlike state of simplicity, in which our ego concerns are left behind, opening the way to interior silence, communion with God, and greater power of attention to others. Freeman examines the teachings of John Cassian to show that meditation, with the aid of the ancient Christian tradition of the continuous saying of a mantra, is a path and a discipline to reach this state of simplicity and poverty of spirit of pure prayer called for by the Lord. This Book will help us to establish profound personal realities regarding our humanity and help us to rediscover a new way to assume others and God in our society, and know ourselves better.
