Table 1: Rules and Regulations That Pertain to States Contracting Practices Provision Source Detail Bidding requirements for letting of 23 U. S. C. 112 In all cases where the construction is to be performed by the state contracts transportation department or under its supervision, a request for submission of bids shall be made by advertisement unless some other method is approved by the Secretary. The Secretary shall require such plans and specifications and such methods of bidding as shall be effective in securing competition. Construction of each project shall be performed by contract awarded by competitive bidding, unless the State transportation department demonstrates, to the satisfaction of the Secretary, that some other method is more cost effective or that an emergency exists. Contracts for the construction of each project shall be awarded only on the basis of the lowest responsive bid submitted by a bidder meeting established criteria of responsibility. Each contract for program management, construction management, feasibility studies, preliminary engineering, design, engineering, surveying, mapping, or architectural related services shall be awarded in the same manner as a contract for architectural and engineering services is negotiated under chapter 11 of title 40 or equivalent State qualifications-based requirements. Suitably equipped and organized 23 U. S. C. 302 (a) Any State desiring to avail itself of the provisions of title 23 U. S. C. transportation department shall have a State transportation department which shall have adequate powers, and be suitably equipped and organized to discharge to the satisfaction of the Secretary the duties required by this title.
