Santa Claus The Robot Wars, The Joys of Christmas The leader of the Robot planet isn't a scrooge, but the Christmas Eve tradition of children celebrating Christmas annoys him. Christmas doesn't belong on his planet or any part of the universe he controls. The Lord Emperor Tazar thinks the only thing children should do is work in the robot factory, building more robots for war so that he can keep control of all those who live on his planet. Aramis, the beautiful little girl who sent Santa a letter last year requesting that he bring a complete Christmas to her planet, wants Santa to bring Christmas and the spirit of Christmas to other planets, especially those where there are a lot of children. Our story opens with little Aramis asking Santa to go to the Planet of the Lord Emperor Tazar and make him let the children enjoy Christmas and stop working so hard in the robot factory. Santa Claus and the Robot Wars, the Joys of Christmas is another fantastic and fascinating story created by Author Don S. McClure...
