

The Nordic Guide to Living 10 Years Longer

By Bertil Marklund

Brown Book Group Little Apr 2017, 2017. Buch. Condition: Neu. Neuware - The Danes may have their hygge and the Norwegians their back to the land culture, but the Swedes have 'lagom': an even-keeled approach to a life of balance. Dr Bertil Marklund - a doctor and researcher at the Gothenburg University with over forty years of experience - provides the most cutting-edge research to explain the ten areas we should focus on to better our chances of a long life. This compact guide provides wisdom from the Nordics, a region long known for its healthy and progressive lifestyle. It debunks myths on things we have been told are not good for us but actually can be: did you know drinking coffee will promote your health Or that more people die of lack of Vitamin D than they do of skin cancer By providing pragmatic and realistic advice, Dr Marklund gives you the power to make a difference in your own life today and for the future. 160 pp. Englisch.

Reviews

The best publication i actually study. I actually have study and so i am confident that i am going to likely to study once more yet again later on. You will not sense monotony at at any moment of your respective time (that's what catalogs are for relating to if you ask me).

-- **Ernest Bergnaum**

This is basically the best pdf i have read through until now. It is filled with knowledge and wisdom I am easily can get a enjoyment of studying a created book.

-- **Dr. Carmine Hayes MD**
