St Martin s Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. Washington Township, Michigan: Valentine s Day, 2007. Stephen Grant filed a missing person s report on his beloved wife, Tara. The stay-at-home father of two was beside himself with despair. Why would Tara abandon him and their family? Was she involved with another man? Stephen s frantic, emotional search for Tara made national headlines, and the case was featured on Dateline among other television shows and news outlets. But key elements in Stephen s story still weren t adding up: Why did he wait five days to go to police? What was the nature of his relationship with his children s beautiful, nineteen-year-old babysitter? Why did Stephen have cuts on his hands, and random bruises? Then, the police made a gruesome discovery. Parts of Tara Grant s body started turning up around the woods near the Grant s home. The truth was finally coming to light.and, after a two-day manhunt, Stephen admitted to having killed Tara--first strangling her, then cutting her body into fourteen pieces before burying them. This is the shocking true story about a bitter, cheating husband whose crimes were revealed by the BLOOD IN THE SNOW.
