

## Glory Trail: Poetry for the Spirit (Paperback)

---

By MR Robert Labarge

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This is a collection of 45 poems and short stories which show faith, hope and love from a Christian perspective. They reflect a view that the spiritual world is just as real as the physical and that life as a believer can be both challenging and rewarding. In the end there is One who understands, knows and loves us and wants us to partake of a full life by following Him. Glory Trail starts us off on a journey past forests, farms and homes and ends with a tribute to a nephew of mine who lost his life while on a winter climb to the top of Mt. Fuji. My hope is that you will not only be inspired but challenged as well so that when your whirlwind comes, and come it surely will, your feet may be found standing on firm ground.
