

Ophthalmic History Primer

By Janice K. Ledford

SLACK Incorporated. Paperback. Book Condition: new. BRAND NEW, Ophthalmic History Primer, Janice K. Ledford, This guide to ocular history-taking offers questions for the technician to ask the patient in the exam room and during the history-taking process. It advises on condensing a narrative, patient confidentiality and developing patient rapport. It also provides notes on ocular and systemic medications which should help the technician to look up medications in pharmaceutical references. The book discusses questions to ask the patient with ocular trauma, gout, arthritis and diabetes as well as questions for specific groups of patients such as post-operative, pregnant, geriatric, or children. Over 40 common ocular diagnoses are listed with questions to ask at follow-up visits.
