She has three grown children and two grandchildren and continues her dedication to the sport of tennis by participating in her area league play, avidly watching women s tennis tournaments on television, and hopefully traveling to tournaments for fun! She is originally from Texas where she grew up loving the water sports. Her interest in tennis began in Texas but really evolved after moving to Colorado. It was a great way to meet new friends. That has been 20 years ago and though team members come and go, her core group has stayed together. She works with Special Education children in the public schools and spends weekends, when not playing tennis, with her grandchildren. She also enjoys hiking and swimming during the summer months. Nancy also has been involved with the Labrador Rescue in her area. She has fostered Labradors who need a good home before adoption. At this moment, Nancy is anxiously awaiting another great season of tennis to begin and hope you are as well!!
