Reviews

It is just one of my personal favorite books. I was able to comprehend every little thing out of this published e-publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

APS Publishing, United States, 2013. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.On August 11, 1987, when I was 23 years old, DEA agents arrested me. I served the next 9,135 days in federal prisons of every security level. Those thoughts led to a three-part plan: I would work to educate myself, I would work to contribute to society, and I would work to build a support network that would have a vested interest in my success upon release. By embarking upon the first prong of the strategy and sticking with it, I earned a bachelor of arts degree from Mercer University and a master s degree from Hofstra University. For the second prong of the strategy, I wrote numerous books to help others understand prisons: the people they hold, how they work, and strategies for growing through confinement. With regard to the third prong, I worked every day to build a support network that would help me succeed upon release as a law-abiding, contributing citizen. To build my support network, I created a document that I called my portfolio. It was a binder that included copies of my degrees and letters of recommendation that...
