

Energy, Spirit and Homosexuality: The Metaphysical Journey of a Psychic (Paperback)

Filesize: 6.79 MB

Reviews

An incredibly wonderful ebook with perfect and lucid explanations. I really could comprehend every little thing using this written e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Tomas Flatley)

ENERGY, SPIRIT AND HOMOSEXUALITY: THE METAPHYSICAL JOURNEY OF A PSYCHIC (PAPERBACK)

Fringe-Dweller Publications LLC, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In sharing her metaphysical journey in Energy, Spirit and Homosexuality, author and psychic Nan Moore reveals how we can balance our energies by drawing on the wisdom of the higher self or Spirit. She shows how we can: develop psychic abilities, recall past life memories, master the reincarnation process, negate karma and accelerate our spiritual evolution. A major highlight of this book is the controversial, groundbreaking-channeled readings that reveal why people are bisexual, gay, lesbian or trans-gendered. AND, she discloses why homosexuality is not a religious, psychiatric or psychological issue and why homosexuals choose such difficult incarnations. Similar books to explore are Spirit Communication by author and psychic, Kevin Ryerson and Destiny of Souls-New Case Studies of Life between Lives by author and counseling psychologist, Michael Newton, Ph.D.
