Information Press Pty Ltd. Paperback. Condition: New. 400 pages. Dimensions: 10.0in. x 7.0in. x 1.1in. Energy, matter and time have been recognised as fundamental entities for nearly 100 years but now a fourth entity, Information, is being viewed in a similar way. Yet although we live in the Information Age, very few books have been written specifically about it. This is the first paradox. This book explores the information within life, the mind and the Universe, demonstrating not only that information is another fundamental entity but that it is the entity from which all the others are built. The Information Paradox will captivate the imagination and further the understanding of readers from senior high school to adult and from all walks of life. This is an adventure not to be missed! This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
