Little Tiger Press Group, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Inspired by the latest Slug Man movie, Eric and Pan decide to enter a competition for young filmmakers on the theme of superheroes. Naturally, the Mini-Dragon has a real talent for scriptwriting. If only they had something better to make their film on than Mum s dodgy old mobile. Then Toby from next door steps in and offers to lend Eric some new kit - on the condition that he can be the producer. Before long, Toby takes over completely, sacking Eric s friends from the lead roles, doing a complete rewrite of the script and hiring a team of pros to get the film finished. Eric says he wants nothing more to do with the project and, with only a couple of days before the screening, there s no time to start again. But Pan secretly works behind the scenes to bring Eric s original vision to life. Eric s film goes down a storm at the screening, with Pan stealing the show as a giant fire-breathing dragon. Eric bags the award for best special effects, while a furious Toby walks away with nothing.
