Big City Press, Hong Kong, 2010. Hardback. Condition: New. Language: English . Brand New Book. For the first time, British artist and illustrator Jon Burgerman s commercial, personal and collaborative works are collected together in this lavish and fun publication. Burgerman s brightly colored parades of monster faces and abstract glyphs have found their way onto a huge range of merchandise--toys, clothing (for Ripcurl), snowboards, exhibitions, murals, customizations, sketchbooks, even a sick bag--as well as galleries around the world (he is especially popular in China and Japan, whose graphic arts traditions his work draws on). Burgerman s personal pantheon of like minds includes Phil Frost, Mr. Jago of the Scrawl Collective, Jean-Michel Basquiat and Barry McGee--all of whom make sense as inspirations, and none of whom quite resemble his maniacal, over-the-top style. Accompanying the hundreds of pages of brain-melting doodles, drawings, characters and colors are essays by the Pictoplasma team and editors of Modart magazine, insights into Burgerman s working process and, of course, photos of salads. The included DVD is packed with animated goodies, documentary stuff and things to beautify your computer. Enter the world of Jon Burgerman s art, where no surface is safe from his meandering lines!.
