Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A String of Chinese Peach-Stones China was once regarded as such an out-oi-the-way place that Walpole has a story of the Duchess of Kingston, who, on being told that the end of the world was close at hand, declared that she would start for China without delay. In which outlandish region certain of her countrymen have been in close touch With the natives for years, feeling as much at home among them for days together as though it were their own land. It used to be -a truism that the study of the written hieroglyphs was the passage of the wilderness of the Chinese language to reach the desert of Chinese literature. That there is much desert, and few willow trees in some parts, no one will deny. But there are many spots where the varied foliage of the hill-slopes lends a grateful colour to the dull brown villages, and even the willow tree affords a touch of nature to the grey and white mazes of a city of slums. N or are pavilions and pagodas to be despised - they are bricks and tiles in blossom. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
