

Business Opportunities in Ireland (Paperback)

By U S Department of Commerce

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.U.S. exports to Ireland were over \$7 billion in 2010 and include virtually all products and services. Leading sectors are aircraft equipment, power generation technology, medical products, electrical equipment, and pharmaceuticals. Currently, more than 600 U.S. firms operate in Ireland, and total U.S. investment stock-the cumulative investment in Ireland, a country with just over 4.4 million population, was revised to \$165.9 billion in 2009-4.7 of worldwide American investment, and more than the U.S. total for Brazil, Russia, India, China, and South Africa (BRICS countries) combined. Ireland faces unprecedented challenges as a small state in the global economy. Global recession reduced property prices leaving massive Irish bank debts that were guaranteed by the government. In 2010, Irish government secured an 85 billion Euro guarantee from the European Union, European Central Bank, International Monetary Fund and other banks to support its economic recovery. At the same time, Ireland remains a wealthy country, with a per capita GDP of over \$45,000 in 2010. Further, the country is a net exporting nation with a positive 2010 trade balance estimated at over \$55 billion. The...

Reviews

Simply no terms to explain. I am quite late in start reading this one, but better then never. Its been written in an remarkably easy way and is particularly merely soon after i finished reading this book where basically changed me, affect the way i really believe.

-- Prof. Jedediah Kuhic DVM

A very wonderful pdf with perfect and lucid explanations. This can be for those who statte that there had not been a worth reading. Once you begin to read the book, it is extremely difficult to leave it before concluding.
