COWBOY SAMURAI X BADASS ANDROID (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Seventeen-year-old Jake Lonestar is a student attending Amarillo High School in Texas. Jake wishes he were just a normal American teen with a lot of friends and maybe even a cute girlfriend. But Jake s adolescence is far from normal due to a incident in his youth that left Jake with supernatural powers: with a single touch, Jake causes everyday electronic devices to morph into murderous robotic machinery. Because of this, Jake has earned a reputation with his classmates; they see him as a freak. When aliens abduct Jake s family from the Lonestar Ranch, an eccentric adult toy inventor named Dr. Valery Dax appears. She claims to be Jake s aunt and takes him to New York City with her. Dr. Valery wants Jake to join the Samurai Superheroes Force (the SSF for short) and partner up with smartass hacker and veteran superhero, Mr. Suit. Dr. Valery has equipped the SSF with genetically engineered warhorses and living-metal swords in order to combat the newest threat in New York s underworld- cyborgs. But when Jake is still not impressed, Dr. Valery sets one of her sex droids to persuade him. However, with Jake s power, one touch to the android and she ends up evolving: developing free will, a wicked personality, a foul mouth and a serious chain-smoking problem! Strangely enough, Jake finds this all pretty hot. Can a perverted, lazy coward like Jake Lonestar really become a superhero? Find out as Jake Lonestar battles cyborgs, befriends quirky aliens, seduces androids and tries to find the courage to live up to his new superhero name: Cowboy Samurai.
