

Escape from the French: A Young Royal Navy Midshipman s Adventures During the Napoleonic War (Paperback)

By Edward Boys

Leonaur Ltd, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A gripping true account of high adventure This is an essential first hand account of the war the Royal Navy fought against Napoleon Bonaparte s France. Truth is said to be often stranger than fiction and this tale of battle, capture and escape could have come directly from the pen of C. S Forrester or one of the other famous authors of life before the mast in the early nineteenth century. While sailing on the frigate Phoebe, Boys was present when she took two ships of the enemy fleet. Boys was subsequently put aboard one as prize-master. His elation was short lived as their little convoy was soon surprised by four French frigates and Boys and his scratch crew taken prisoner. Incarceration within a daunting fortress in France followed but still Boys and his companions planned and effected an audacious escape from their formidable prison that was but the prelude to a flight through enemy held territory in the hope of crossing the Channel to England and liberty.

Reviews

This ebook can be worthy of a go through, and a lot better than other. Better then never, though i am quite late in start reading this one. Its been printed in an exceedingly easy way which is just soon after i finished reading this book where basically modified me, affect the way i really believe.

-- **Seth Fritsch**

The very best book i actually study. It is actually writter in easy terms and never hard to understand. Your daily life period will probably be enhance when you total looking over this publication.
