DEVEYS ESSAY ON THE LIFE AND WEITINGS OF BACON. Reprinted from the Examiner of December 25, 1852. The biographical portion of Mr. Deveys introduction may be regarded as an abridgment of Lord Campbells Life of Bacon; for though many of the statements have been inadvertently altered in the process of reduction, the alterations are for the most part not corrections, but corruptions; and it is easy to see that Mr. Devey has been satisfied with Lord Campbells authority, and looked no further. Now, if Lord Campbell had spent forty years upon the life of one chancellor, instead of four upon the lives of a hundred and fifty, we should not even then have thought an editor and biographer justified in repeating his statements without inquiry, in matters concerning which the whole evidence lay within his Prefixed to Mr. Bonns edition of Bacons moral and historical works. 13 own reach. The most careful man will make mistakes, and Lord. Campbell, though he has had credit given him for most of the merits of a biographer, has been even by his most ardent admirers rather excused for occasional stumbles in consideration of the great speed with which he travelled, than pronounced infallible. But if the impressions derived by one man from a four years excursion through the records of eight centuries--a kind of holiday tour in search of the historical picturesque--are to be adopted without inquiry by every succeeding biographer as historical facts, it...
