BBC Audio, A Division Of Random House, United Kingdom, 2010. CD-Audio. Condition: New. Unabridged edition. Language: English . Brand New. Ireland is neither cursed with snakes, nor blessed with nightingales, and the characters in Maeve Binchy s fiction occupy the same middle ground. These five stories, specially dramatised for BBC Radio 4, feature modern Irishwomen emerging from a culture where they knew their place into a more hazardous, but more rewarding light. In *The Night People Came in for Something that was No Trouble* , Cara s envy of another couple s disingenuous ease at giving dinner parties spurs her to plan the perfect `casual evening down to the last detail - but things don t go as she d intended. The Stepson sees Clare walking on eggshells, taking great care not to try to replace her stepson Simon s dead mother: until she finally attempts to break through his hostile diffidence. *Decisions at Sea* finds Tessa, an overlooked but good-tempered secretary, heading out on a cruise, where she faces a big decision. In *The Answer Machine* , Bidy reasons that her family need an answer machine for Christmas, and gives it to them early - but, by Christmas, she is beginning to regret the whole idea. And in *By The Time We Get to Clifden* , Nessa and her husband Harry are planning their annual break to Clifden when neighbour Melly seeks their help, and ends up changing their itinerary and their lives. Featuring a full cast including Niamh Cusack, Sam Dale and Harry Towb, these five Maeve Binchy stories are all typically warm, wry and witty. 1 CD. 1 hr 15 mins.
