Wendy Powell, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Are you confused? Do you feel like you don t know what is going on? Could you be losing your mind? Are you becoming forgetful? If you feel this way, there may be a narcissist at work in your life. The word narcissism is being bandied about like a trend right now and it is getting confusing for those of us that actually have a pathological narcissist in our lives. Narcissism is not just another word for arrogant or conceited. You are not a narcissist because you post a lot of things on the web or take a lot of selfies . Narcissism, in the purest sense of the word is a pathology, a dangerous pathology.
