Human Kinetics. Paperback. Condition: New. Human Kinetics Interactive Dance Series includes Beginning Tap Dance, Beginning Ballet, Beginning Modern Dance, and now Beginning Jazz Dance and Beginning Musical Theatre Dance. These titles are the traditional dance courses taught through dance, physical education, and fine arts departments for general education students, dance majors, and minors. Using the steps to success model and adaptations from the Outdoor Adventure series, these beginning dance titles contain components from these previous series. Beginning Jazz Dance is the perfect resource for helping students gain a strong foundation of beginning jazz dance techniques. Written by jazz dance choreographer and professor James Robey, this text prepares students to have a successful experience in a beginning jazz dance technique course; includes 80 photos accompanied by descriptions that visually present the beginning jazz dance technique and dance concepts that will reinforce and extend classroom learning; and introduces students to the history, artists, significant works, styles, and aesthetics of the genre so they understand dance as a performing art. In addition, Beginning Jazz Dance comes with a web resource that includes 55 photos and 125 video clips of basic jazz dance technique. Students can access these photos and videos at any time for their study or practice, and instructors and students alike will benefit from the wealth of resources on the website, including assignments, worksheets, glossary terms with and without definitions, interactive chapter quizzes, and web links to help students develop their basic knowledge and skills. Through the text, students learn these aspects of jazz dance: The core concepts of jazz dance, the value of studying jazz dance, and class expectations The structure of a jazz dance class, the roles of everyone in the studio, and how to be physically and mentally prepared for class Tips on injury prevention, nutrition guidelines, and...
