He should so perfect himself in these alphabets that he will have them always at hand for instant use. The alphabets of capital and minuscule one-line letters shown in Fig. 11 are similar in general type to those we have just been discussing, except that they are sloped or inclined letters and therefore come under the heading of Italics. The Italic letter is ordinarily used to emphasize a word or phrase in a sentence where the major portion of the letters are upright; Fig. 12.
