The Spirit Animal series continues down its edgy, adventurous trail. Sizzling sexual chemistry, snarky dialogue, electrifying action, three-dimensional characters. Psychologically wounded war veteran, Annie Many Horses, who served, fought and lost most of her friends and family in Triassic s Dinosaur wars, continues her story. With her new clan of Injin warriors and friends, they set out to find a peaceful agrarian life on Planet Rock. Between the gunfights, anyway. Life is never simple. Our heroes make their home on the planet Rock. A wilderness realm whose main industry is agriculture. Terminus and the Rock are country planets, out on the edge, where the farmers and ranchers try to live their traditional lives out from under the thumb of the overbearing government. The Triumvirate likes to keep them rural and wilderness. Electronics, internal combustion, fusion, molecular, electronic and fission engines are not allowed. City folks like to vacation on the Rock to play cowboy because cowboys, cowgirls and dirt farmers rule. The horses are tough, the women loose and the cattle grass fed.
