Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Whether or not you believe in ghosts, you've likely shown interest at some time in your life in a ghostly tale or two. Or you may have found yourself looking twice at a photograph where a ghostly figure cannot be explained. Some buildings and places seem to attract ghostly presences which have explanations. Other hauntings are mysterious and cannot be explained. This book is an amalgamation of my Haunted series. Part 1 will take you on a tour of some of the most haunted castles, inns and mansions in the UK. Part 2 looks at the different types of ghosts and hauntings with more true ghost story examples. Read about haunted theatres, castles, underground bunkers and buried streets in Part 3 and more spooky tales are included in Part 4. Drawn from literary and internet sources, local records and folk legends as well as personal visits and interviews, this is a chilly collection of some hauntingly romantic, some gruesome and other eerie tales of ghosts, ghouls and animal spirits that walk the Earth. So, turn out the light, snuggle up by the fire and get ready to read some spine-chilling ghostly tales of the unexpected.
