Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Some Famous Hamlets From Burbage to Fechter When Mr. Wilson Barrett recently announced his intention of producing Hamlet at the Princess s Theatre, and that he himself would represent the Prince of Denmark, no one interested in the affairs of the Drama was surprised at the announcement. At some time or other in the course of his career, it is the ambition of every actor who loves his work to appear as Hamlet. The character is so profound that every one who enacts it thinks himself capable of throwing some new light upon it, of giving to it some hitherto undiscovered meaning. An absolute failure in the part is impossible, provided that the actor be possessed of certain mere personal qualifications. But of course an actor who is more highly gifted, both intellectually and physically, than his fellow, will naturally excel in his interpretation of the character.
