BY WAY OF THE FORKED STICK (HARDBACK)

University of Tennessee Press, United States, 2001. Hardback. Condition: New. Language: English . Brand New Book. In the little Appalachian town of Sourwood, life at the end of the Great Depression may have been tough, but it was rich beyond compare. Building on a distinguished body of work celebrating and preserving mountain culture, renowned writer Billy C. Clark once again revisits his boyhood during a bygone era. *By Way of the Forked Stick* offers four fictional stories drawn from the author's childhood experiences of the 1930s tales that vividly convey the down-home spirit of a lost way of life. Clark's youthful narrator introduces us to Apache, the charismatic termite exterminator who traded the boy a hound aptly named Sneakin. The narrator admits to his own share of sneaking past the watchful eye of the never-smiling Beulah Whitlock into her picture show, where the scent of popcorn drew rats up from the river in droves. He recalls being drawn himself into the world of cockfighting, where handler Blinddog Alley was said to be able to talk to roosters. And he relates how his brother Caleb's quest for girls led the boys into frequenting a church where almost any movement was the sign that the Spirit was struggling to get inside you and where baptism at the Glory Hole in Sourwood Creek was only slightly less chilling than the minister's handling of snakes. Drawing on the region's rich tradition of storytelling, Clark conveys the charm and color of Sourwood Mountain and its environs in finely honed yarns that brim with humor. Here are characters so authentic it seems as though they have stepped off the page: Apache's wife, Lottie the gospel woman, and her brother Weasel; Hyford Copley who ran the projector at the theater; and...
