Poetry Chaikhana, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This beloved collection of poetry by Dorothy Walters explores the spiritual journey through its ecstasies, struggles, and vistas. Each step is observed with the keen insight and clear voice of a modern woman who is both a skilled poet and genuine mystic. Dorothy Walters s poems are immediate and inviting, transcendent and often playful. Many of these poems are in dialog, with Rumi and Rilke, Denise Levertov and Lalla, each poem contributing its own wisdom and humor to the ongoing conversation that passes between visionaries and sages through history and across cultures. Marrow of Flame has already become a modern classic among spiritual seekers. Now available in this updated and revised edition, with a new introduction by Andrew Harvey. SOPHY BURNHAM, author, The Ecstatic Journey: Walking the Mystical Path in Everyday Life These poems make me gasp. I thought all the great mystics had been gone for centuries. Dorothy Walters--part buddha, part elf--weaves mythic literacy with subversive compassion....
