Reviews

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).

Graywolf Press, 2015. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Praise for Nick Flynn"Each word is a lit match, a thrown stone, a howling blast, a choking torrent. Flynn has forged daringly intimate and clarion poems of conscience." - Booklist "[Flynn's] books of poetry- Some Ether , Blind Huber , The Captain Asks for a Show of Hands -all ask difficult questions and leave us with a beautiful acceptance that there is often no answer at all, that our memories arrange things in ways that may or may not offer closure. There is something about his work that allows us to exhale, to sit in our own messes and be okay." - Rumpus.
