ROLE OF CHRISTIAN GRANDPARENTS (PAPERBACK)

Catholic Truth Society, United Kingdom, 2010. Paperback. Condition: New. New edition. Language: English . Brand New Book. We live in a time of constant change, when the latest fashions and technology dominate popular culture, and society seems to be moving further away from God. Yet the role of grandparents - in a society where life expectancy is growing, and often both parents work - is becoming stronger. This booklet explores how grandparents can be present in the lives of their grandchildren to pass on the wisdom they have gained and the faith they have received.
