Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.What is important to you in your life and what is your purpose. What makes you tick? What do you feel strongly about? What makes you happy? What and who do you truly value? What things drive you with an absolute passion? Fed up? Not getting what you want out of life? Don't know how to get what you do want? Keep sabotaging your dreams and aspirations? Do you feel that you have more inside you? More to give? Sometimes get confused as to what is most important to you? Then you will love this book, superbly written by Russell Webster, the author. There is also the audio book available which has an amazingly tranquil, yet uplifting, musical pastiche embedded underneath the spoken word and which is available as a piece of music in its own right. This book is written, based on the teachings of the master, as passed down to the author whilst on a spiritual journey seeking enlightenment and knowledge. This knowledge has been known about and passed down through the ages and many have tried to interpret it before; The Secret, being one of the better known modern day interpretations, but which sadly misses out on some of the most important aspects, which unfortunately leaves the reader not fully in possession of all the information that they need to make the transformations that they are currently looking to make in their lives. Conversely, Seven Secrets Revealed covers all of the different aspects of the knowledge and explains fully how they all work together in synergy and therefore they all need to be combined and used together to see the changes start to easily materialise and...
