Stock Market Investing: A Beginner's Guide to Stock Market Investing (Paperback)

By Efron Hirsch

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The stock market; we all see financial analysis in the news, hear how companies stocks are performing on the different stock exchanges and how upcoming companies are about to issue an IPO. The world's richest billionaires bet on stocks (Warren Buffett and his one million dollars wager is a good example). You then wonder; if the richest invest in stocks, isn't that reason enough for anyone wishing to become rich to start thinking of investing in stocks too? Well, if you've thought about investing in stocks, you know that this investment can be complicated to a complete beginner. You just cannot seem to understand why stock prices move up and down, why a company's release of financial statements affects its share prices, why companies issue shares in the first place and lots of lingo that any ordinary guy with no finance knowledge cannot grasp. Nonetheless, now is your time to start investing in stocks. If you want to invest in stocks, you need to learn the basics first. This book is the key for you to learn...
