

The Thing About Great White Sharks: and Other Stories (Paperback)

By Rebecca Adams Wright

Amazon Publishing, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. In this collection's richly imagined title story, our brutal and resourceful protagonist is determined to protect her family from a murderous, shark-ridden world--at any cost. Elsewhere, an old woman uncovers a sinister plot while looking after a friend's plants (Orchids), and a girl in the war-torn countryside befriends an unlikely creature (Keeper of the Glass). In Barnstormers, a futuristic flying circus tries to forestall bankruptcy with one last memorable show. At the heart of Sheila is the terrible choice a retired judge must make when faced with the destruction of his beloved robotic dog, and Yuri, in a Blue Dress follows one of the last survivors of an alien invasion as she seeks help. Extending from World War II to the far future, these fifteen stories offer a gorgeously observed perspective on our desire for connection and what it means to have compassion--for ourselves, for one another, for our past, and for whatever lies beyond.
