Forgotten Books, 2017. Paperback. Condition: New. Language: French . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Traite de Technique Mineralogique Et Petrographique, Vol. 1: Les Methodes Optiques Le but que nous avons poursuivi en ecrivant un traite de technique mineralogique et petrographique, est de donner un apercu aussi complet que possible des procedes modernes qui sont en usage pour la de termination des mineraux et des roches. Comme ces procedes sont empruntes a la physique et a la chimie, il nous a paru logique de diviser notre ouvrage en deux parties. La premiere, qui fait l objet de ce volume, est exclusivement devolue aux methodes optiques; la seconde, qui contiendra l expose des methodes chimiques qualitatives et quantitatives, ainsi que l interpretation des analyses par les for mules et les graphiques, paraitra a une date ulterieure. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
