## Flight Without Formulae: Simple Discussions on the Mechanics of the Aeroplane (Classic Reprint) (Paperback)

By Emile Duchene

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Flight Without Formulae Simple Discussions on the Mechanics of the Aeroplane Formule and equations are necessary evils: they represent, as it were, the shorthand of the mathematician and the engineer, forming as they do the simplest and most convenient method of expressing certain relations between facts and phenomena which appear complicated when dressed in everyday garb. Nevertheless, it is to be feared that their very appearance is forbidding and strikes terror to the hearts of many readers not possessed of a mathematical turn of mind. However baseless this prejudice may be as indeed it is - the fact remains that it exists, and has in the past deterred many from the study of the principles of the aeroplane, which is playing a part of ever-increasing importance in the life of the community. The present work forms an attempt to cater for this class of reader. It has throughout been written in the simplest possible language, and contains in its whole extent not a single formula. It treats of every one of the principles of flight and of every one...
