Reviews

It is fantastic and great. It is written in easy words and phrases instead of confusing. I am just delighted to explain how this is actually the best book I have ever read through during my individual life and might be the finest publication for ever.

iUniverse. Paperback. Condition: New. 156 pages. Dimensions: 8.5in. x 5.5in. x 0.5in..Joel Mulholland recounts the heartening story of her very memorable grandmother. Between the ages of twelve and thirteen her grandmother received Christ as her Savior. He would serve as her rock of strength for all her days. The death of someone close to your heart leaves an overwhelming sense of void. Suddenly, a life is taken, the body is lifeless, and the soul is gone. As a Christian, there is the struggle between knowing that they are truly at peace and the natural, human selfishness of wanting to keep them close. But with the sting of each death, comes new growth and maturity, the realization of how much their love was needed and how much was shared with others. The authors grandma left many treasures; years of letters, journal entries, endless personal writings and remembered fellowship with family and friends will give a complete understanding of her journey. Then, the tributes from others and the impressions she left upon their own lives gives proof to her aspirations. Through the tragic death of her father, marriage to a young GI, raising five boys and two girls, and college at eighty-two, as Grandmere put it: I am ready to see my Jesus.
