New Poets Series / Brickhouse Books, Inc., United States, 2015. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. quote; How long had it been . . . since I d seen it, really looked? Again and again, the speaker of these quiet, lovely poems asks herself versions of this question, acknowledging her kinship with the partially blind. In this book about looking, about truly seeing what is before us, we are given such gifts of observation as the chuckling dove, a bittern and one green heron / hunched in the wind / as if in shabby old topcoats, the moon described as a nubby doubloon, a peach as a tennis-ball [with] okra-leaf fuzz. But finallyand in their careful, surefooted way,these poems point to the hidden as well, the ineffable, the chorus unseen. Hope Coulter has written that rarest of things: a book that is as mysterious as it is clear. The Wheel of Light is a beautiful, deeply satisfying collection.quote; -- Davis McCombs.
