

## William Klein Paintings, Etc.

By William Klein, David Company

Contrasto. Paperback. Book Condition: new. BRAND NEW, William Klein Paintings, Etc., William Klein, David Company, William Klein is cult figure in photography and film, and although long noted as a painter, his early work has remained largely unseen for over sixty years. This book presents a selection of extremely rare Klein paintings from the late 1940s and early 1950s. It also includes projects for murals, some of which executed on a monumental scale for the first time, Lettrist works, fashion photographs and Printed Contacts. The show also maps a decisive moment in the artists development: in 1952, while photographing his painted Turning Panels commissioned by architect Angelo Mangiarotti, Klein captured the blur of objects in movement. The incident set the artist off on a series of experiments in the dark room, in which he developed the blueprint of his photographic abstraction. Giving a new perspective on his entire career, this book clearly portrays the foundations of Kleins unique visual language as his trajectory is traced through painting, architecture, photography, books and film.
