

America in Korean War: A History Just for Kids! (Paperback)

By Kidcaps

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Have you ever heard of the Battle of Osan, or even of the Korean War that it was a part of? This war has been called America's Forgotten War because not a lot of people talk about it. It was not global, like World War Two had been, and it was not as controversial as the Vietnam War. Although it lasted for about three years, and although some 40,000 American soldiers lost their lives, the whole thing seemed so far away that, to this day, not a lot of people even know what the war was about or how it ended. Sometimes, they don't even know that it happened. In this handbook, we hope that you will learn the most important stuff about the Korean War. What can you expect to see? Find out in this exciting book! KidCaps is an imprint of BookCaps Study Guides; with dozens of books published every month, there's sure to be something just for you!
