St Martin s Press, United States, 1996. Paperback. Condition: New. Reissue. Language: English . Brand New Book ***** Print on Demand *****.With unreliable memories and scraps of photographs as his only clues, Conor Lyons follows in the tracks of his father, a rootless photographer, as he moved from war-torn Spain, to the barren plains of Mexico, where he met and married Conor s mother, to the American West, and finally back to Ireland, where the marriage and the story reach their heartrending climax. As the narratives of Conor s quest and his parents lives twine and untwine, Colum McCann creates in Songdogs a mesmerizing evocation of the gulf between memory and imagination, love and loss, past and present.
