Ian Heming Ministries Pty Ltd, United States, 2015. Paperback. Book Condition: New. 210 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****.We live in an age of messaging; social media and networking, advertising, email, photographs and video, websites and daily postings of information. Never has the creation and receiving of messages been easier or more freely available or so transportable. This brings the potential to receive blessing and damage through immensely more exposure to messages than any earlier generation has been exposed to. For the strong and insensitive, messaging is a real added power in their hand. For the more sensitive and the immature, messaging creates a vulnerability which has never been present before. We see people, especially the young, readily and deeply damaged by (often anonymous) messaging from their peers and any-one that has a desire to speak into their lives. This book discusses the messaging of this world and the messaging we receive from God. It compares the two sets of messages and discusses them. The intention for writing this book is to bring God's truth and hope into the lives of those who encounter adverse messages from this world, so that they are not dragged down by them but can recover and obtain new hope in God for the future. About the Author: Dr Ian Heming is a respected teacher, businessman and minister of God's love. Starting life as a graduate teacher, he pursued an academic pathway obtaining a Master of Science Degree in Experimental Nuclear Physics and subsequently a PhD in Solid State Physics, which incorporated the creation of world leading infra-red detector devices. Ian has taught in college, been an executive for a leading global oil company, run his own business successfully, been a company doctor for some...
